

WHY GET PRO SERIES CERTIFIED?

COVID-19 has caused a sharp increase in customer demand for touchless security technology. Last year, ZKTeco sold more than **50,000** SpeedFace readers worldwide and the demand for touchless isn't slowing down.

BENEFITS:

Exclusivity:

Only certified dealers can now sell & install Pro Series (including SpeedFace readers).

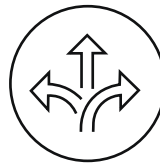

Close More Deals:

Only Pro Series has integrated hardware & software upgrades available.

Greater Opportunity:

Less competition and expandable Pro Series features increase your margins.

Differentiation:

Pro Series certification sets you apart from non-certified installers.

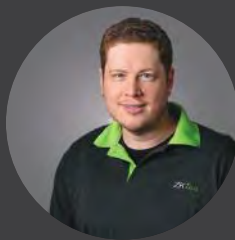

Rewards:

Certification fee refundable with minimum hardware purchase.
